

THE PIRATE

PIRATE STAFF

As the days of fun and study come to an end, memories are everywhere in everything. We have tried to capture these memories in the pages of this book so that one can always look back to it and remember. It's your book. May you always enjoy it - the '63 PIRATE.

DEDICATION

MRS. LORENA MUNCY, MRS. MAY LAMBERT, AND MRS. BROOKS PHILLIPS

We, the Class of '63, wish to pay you this tribute
for all you have done for us. Though you have re-
tired from the faculty, we shall remember you well.
Proudly we honor you - Mrs. Muncy, Mrs. Lambert,
and Mrs. Phillips.

ADMINISTRATION

We are always proud to be able to say that Litten R. Singleton is superintendent of our school. He has worked hard for us, trying to help us and advise us in every way possible. As we leave this school, our wish is that he will always have a place in the hearts of the students who knew and respected him.

THE BERIA COLLEGE LIBRARY
SERVES THE COLLEGE AND COMMUNITY

The resources of the Berea College Library, numbering more than 150,000 volumes, are open to the institution and to the community. Approximately 800 current periodicals are available in the reading room.

Children of the community are among the most enthusiastic users of the facilities of the library. Much of their interest may be due to the fact that the children's department has a very large collection of books of folk and fairy tales. This collection is kept up to date with selections from the many good children's stories published each year, including the Newbery and Caldecott awards.

The Berea College Laundry has served our community for almost fifty years. During the early years, most of the work was done by students. At present, thirty-four local people and only eight students are employed.

For over 25 years, our Laundry has been a member of the American Institute of Laundering, the center of professional laundry education, training, and practical research.

Amid the hustle and bustle of high school life, students find time for diversion in the field of fine arts. Music, being the queen of arts, naturally lends itself to expressing sublimely the emotions. By participating in Berea High's first band since 1954, students gain musical experience and have an outlet for their artistic feelings and desires.

MISS ELIZABETH DAVENPORT
F.H.A. Advisor

Future Homemakers of America had the largest membership ever this year. Its activities included presenting an assembly program, preparing Christmas baskets for the needy, having a potluck supper, and sponsoring the Valentine Dance. It was also the first year in our F.H.A.'s history that a Junior Homemaking degree was earned.

'63 PROM

The Faculty Talent Show was presented as a basketball game. Of course, the faculty won.

Our famous cheerleaders - Land, Shrout, and Marcum.

The band played on . . . It was composed of the women teachers.
